Happy New Year!!! Time for new beginnings and being thankful for what we have and who we share our time with. I am thankful to be with you each month as we take time to be creative and share with each other. Let me first say our deepest sympathy goes to Bessie Bain in the loss of her husband. She has surely been tested this past year or two. I pray you will have strength and God's blessing to enjoy the year ahead with your family and friends at your side.

This month's class (Thursday, January 16 at 9:00 am) is a follow-up class to our Gaby Hunter projects or a time to finish up any project you would like to bring. Mina McLean is leading us in completion of our projects.

Our lunch is a potluck salad bar. After all the holidays, I know I will be eating a salad or two☺ I ask you to bring your favorite salads or salad fixin's.

We will install the 2014 officers at the meeting. All current officers have agreed to continue through 2014 and we all look forward to serving your needs. We also ask everyone to participate with thoughts, ideas, and a helping hand throughout the year.

Looking forward to seeing everyone,

Marsha

This Month's Project

“I love people who make me laugh. I honestly think it's the thing I like most, to laugh. It cures a multitude of ills. It's probably the most important thing in a person.” ~Audrey Hepburn

This month is “Catch Up” month. Several of us participated in a two-day seminar with Gaby Hunter last year and not all of us finished our projects. Mina McLean has agreed to lead us in completing at least one of those projects, probably the grapes. If you want to finish the Gaby Hunter projects, please bring your canvases and acrylic paint supplies. The chapter has the paint for us to use.

If you didn't attend the seminar or you have already completed your projects, please bring other unfinished projects and we will all paint together.

Look forward to another month of painting!!!!
